Miss Moustache

seconds become minutes, minutes become moments.

play/listen "**FOR A WHILE**" when you are down.

play/listen "**I SEE NOTHING BUT...**" when it's really really hot outside.

play/listen "**LOVE IS HIGHER**" when the storm clouds are coming...

play/listen "**MISS MOUSTACHE**" while having breakfast in bed on a cold winter morning.

miss moustache = switzerland – basel – since around 2005 – 5 members, band with regional, national and international success – we're experimental, we're melancholy, and we always aim for the perfect melody. we settle between golden-shower pop and indie-rock, with traces of the x-tra plus...
